Hertfordshire's Voice For SEND Families

HPCI is the parent carer forum for Hertfordshire.

We work to make sure that local service providers know what families with children and young people, aged 0-25, with special education needs and disabilities (SEND) need.

We gather parent carer views and work in partnership to bring about positive change across health, education, and social care services.

Hertfordshire's Voice For SEND Families

OUR UNIQUE ROLE

Established in law	Every Local Authority must have a Parent Carer Forum.
Independent	We work alongside, but are separate from the Integrated Care Board (health) & Hertfordshire County Council (social care & education).
All parent carers	Our volunteers, directors & staff are all Hertfordshire parent carers.
Trusted by families	We're here to listen to families with SEND & represent their experiences anonymously.
Valued by strategic partners	We're recognised as equal partners in the SEND system, asking the difficult questions when needed to help drive change.
